COVENT BRAND LOOSE PIPE TOBACCOS

No. 1:-	Cyprus Black	:	A robust earthy tobacco, ideal for blending to give a natural full bodied flavour.
No. 2:-	Cherry Vanilla	:	A sweet blend of Virginian and Cavendish tobacco with rich cherry vanilla flavoured giving a mild and mellow smoke.
No. 3:-	Classic English	:	A good traditional English mixture, with a good nose, typical tobacco aroma.
No. 4:-	Virginian Cavendish Mix	:	A mixture of best Virginia and Cavendish tobacco's, aromatic and slightly sweet, with just a hint of traditional English.
No. 5:-	Black Cherry	:	A sweet Virginia flavoured with black cherry, (mix of Burley and Black Cavendish) a rich but mild aromatic smoke.
No. 6:-	Luxury Virginian	:	A mild pure Virginian tobacco ideal for either smoking as it is or blending with Latakia or Cavendish.
No 8:-	Classic Flake	:	A mild Virginian flake with a marvellous sweet aroma, providing a superb mild to medium smoke.
No. 9:-	Best Flake	:	A sweet flake tobacco. A medium strength smoke, best when very roughly rubbed, giving a long cool smoke.
No. 10:-	Port Supreme	:	A rough cut mixture of the finest blends of Virginian and Burley tobacco's saturated in Vintage Port.
No. 11:-	Highlanders Choice	:	A superb blend of sweet Virginian, with aromatic burley and black Cavendish, enhanced by the distinctive flavour of the finest malt Whisky, providing a really smooth smoke.
No. 12:-	Caribbean Bounty	:	A sweet mild blend of fine Virginian tobaccos flavoured with sweet coconut milk with a little added vanilla and bourbon..

We also offer our well established pre-packaged tobaccos

- Mullins Mixture:- This blend of Virginia bright leaf and jet Black Carolina Cavendish with small amounts of Perique and Turkish Dubec. This tobacco originated in the 1920's, but has lost none of it's appeal, it provides a mild slightly piquant smoke that remains sweet throughout pipe.
- Crusting Cake:- A traditional slow burning favourite blended from dark Eastern Carolina, Kentucky and Middle belt. A rough cut broken flake which can be placed straight into the pipe or gently rubbed into honey dew. Medium in strength.

Available in 25 grams and 50 grams tins
